How Gift Aid Works

If you pay UK tax, **you can make your donation to IHT worth more, at no extra cost to you.** IHT can reclaim basic rate tax on your gift from the UK Inland Revenue. All you need do is complete this simple Gift Aid form and send it to IHT. You only need to complete one form, even if you make more than one donation. IHT uses the reclaimed tax for the same purpose as the original gift.

Example: if a UK taxpayer gives £250 to IHT and completes the Gift Aid form, IHT will receive an extra £70.51* making £320.51* in total.

Also, if **you pay higher rate tax**, you can reclaim the higher rate tax on your gift. You claim this back on your UK tax return. If you give £250 to IHT, you can claim back £57.69* so the real, net cost to you is £192.31*; but IHT still receives £320.51* in total.

Example: a higher-rate UK taxpayer who gives £250 to IHT will get back £57.69* in tax relief. This reduces the net cost of the gift to £192.31* net but IHT still receives £320.51*.

Here are some more examples:
